

2021 Virtual Seismic Design Competition

Score Sheet : Presentation

School: _____

Judge: _____

Note: Judges please check, circle, or highlight the scoring criteria for the most appropriate score in each category. Do not write in the score.

Category	Score				Score (for SLC use ONLY)
	1	2	3	4	
Structural System Concept for Addition & Retrofit	<ul style="list-style-type: none"> • Inappropriate system for seismic applications • Structural system would not work with building concepts 	<ul style="list-style-type: none"> • May work as a system for seismic applications • Structural system may work with other building concepts 	<ul style="list-style-type: none"> • Appropriate system for seismic applications • Structural system would work with other building components 	<ul style="list-style-type: none"> • Ideal system for seismic resistance • Structural system works very well with other building components 	/4
Geotechnical and Seismicity Deliverable Tasks	<ul style="list-style-type: none"> • Poor/no explanation of approach and used methods • Shows poor/no understanding of tasks concepts • Unreasonable justifications 	<ul style="list-style-type: none"> • Good explanation of approach and used methods • Shows some understanding of the tasks concepts • Unreasonable justifications 	<ul style="list-style-type: none"> • Very good explanation of approach and used methods • Shows good understanding of the tasks concepts • Reasonable justifications 	<ul style="list-style-type: none"> • Excellent explanation of approach and used methods • Shows excellent understanding of the tasks concepts • Exceptional justifications 	/4
Clarity and Organization	<ul style="list-style-type: none"> • No logical organization • Poor use of slides • Design concept not understood 	<ul style="list-style-type: none"> • Poor logical organization • Good use of slides • Design concept mostly understood 	<ul style="list-style-type: none"> • Good logical organization • Very good use of slides • Design concept understood 	<ul style="list-style-type: none"> • Excellent logical organization • Excellent use of slides • Design concept clearly understood 	/4
Communication Skills	<ul style="list-style-type: none"> • Audience disengaged • Unable to answer questions 	<ul style="list-style-type: none"> • Audience somewhat engaged • Attempts to answer questions, but not accurately 	<ul style="list-style-type: none"> • Audience is mostly engaged and interested • Understands and answers questions 	<ul style="list-style-type: none"> • Audience is consistently engaged and interested • Understands and answers questions thoroughly 	/4
Total:					/16
